

COVID-19 VACCINATION GUIDELINES AND REQUIREMENTS

Though we do not know requirements will be in place in February 2022, we currently anticipate the following guidelines will be implemented:

Guidelines and requirements will be subject to change

- Attendees will be required to provide proof of COVID-19 vaccination.
- This information will be collected by an outside health organization, which will also monitor compliance with health and safety checks. They will coordinate with AAJ staff as it relates to the eligibility of registrants to attend events.
- Attendees may be required to submit to daily temperature checks.
- Attendees may be required to affirm their health status daily via an online survey.
- Attendee registration will be limited to ensure physical and social distancing.
- Attendees may be required to wear a face mask in public areas.
- Attendees should bring their own facemasks, facemasks will be available onsite as well.
- Physical/social distancing will be respectively enforced.
- Hand sanitizer will be available and frequent hand washing is encouraged.
